NUMBER 33

Rabies Alarm Sounded By Diagnostic Lab

Attention is being called to the fact that a great many animals affected with rabies are being reported in this area, according to Dr. V. D. McCreary of the Swine Diagnostic Laboratory. Dr. McCreary stated to a representative of this newspaper Monday that a farmer near Kinston had brought in a female fox he had killed during the night. The head was sent to the State Laboratory and mid-afternoon Monday the report was called to the Laboratory in Elba. The fox did have rabies. Another report has also been reported in Coffee County of a positive rabid fox being killed.

Also reported is that the brain of a cow from a farm near Opp showed positive rabies. One of the veterinarians in Opp is reported exposed to rabies and is forced to take the painful shots.

It is reported that the infection of rabies is running wild in the Opp area and there is a possibility the same is true of Coffee County.

Rabies is an acute virus disease of warm-blooded animals that attacks chiefly the nervous system, is uniformly fatal when untreated, and is transmitted with infected saliva through the bite of a rabid animal. It is commonly known as "a mad animal". An animal with rabies is characterized by spasms of the muscles of the throat and diaphragm, choking, salivation, extreme excitement, and evidence of fear, often manifested by indiscriminate snapping at objects. When not showing strange behavior of any animal it is wise to report it to officers or that the animal be penned for observation.

The method by Pasteur of aborting rabies is stimulating production of antibodies during the incubation period of the disease through successive inoculations with the virus in attenuated form gradually increasing in strength. It is a long and painful inoculation period but of absolute necessity after a person has been infested with the virus.

People with pets should have them inoculated immediately or else take the risk of their becoming ill of rabies and the very possibility of their biting some person as well as other animals.

The fox captured near Kinston Sunday night was disturbing chickens at a farmer's home. When the farmer went to check the commotion, dogs chased the fox away but the strange action of the fox was noticeable even then. The fox returned to the chicken house even though the farmer was there with a light and gun and the dogs continued to bark. That is the fox that was brought to the Diagnostic Laboratory in Elba and sent to the State Laboratory to be checked for rabies.

Any animal acting strange is dangerous and should be treated as such.

Former Resident Named Outstanding Man

Three Troy State graduates have been selected for inclusion in the 1967 edition of Outstanding Young Men of America.

The three are William R. Fralish and Doyle W. Carpenter, of Ozark, and Frank Sadler, of Troy. Carpenter is the son of Mr. and Mrs. Shirley Carpenter, of Elba.

Fralish is superintendent of Ozark City Schools. Carpenter is principal of Carroll High School of Ozark. Sadler is head coach at Henderson High School of Troy.

Doug Blankenship, chairman of the selection board for Outstanding Young Men of America, released the names of the three Troy State graduates. The selection was made by a 14-man national board of editors. Blankenship said the men selected have distinguished themselves in one or more fields of endeavor to the point of being outstanding.

Outstanding Young Men of America is an annual biographical compilation of approximately 10,000 young men of outstanding rank throughout the country.

Past winners of the honor include such famous persons as John F. Kennedy, Nelson Rockefeller, Dr. Tom Dooley, and Henry Ford, II.

MAYOR L. P. MULLINS is shown in the top photo signing a proclamation declaring March 12 through March 18 as Girl Scout Week in Elba. Witnessing the event are Girl Scouts (L to R) Jeannette Miles, Chris Tatum, Wendy Anderson and Ann Martin. The signed document is now on display at the Girl Scout hut.

The lower photo is girl scouts of the Elba Methodist taken Sunday following services in which they participated in by serving as ushers and giving the Girl Scout oath in unison.

Elba Tigers Attack Spring Training "Head On"

Coach Wendell Hart's fall, Elba Tigers have called a temporary halt to spring training activities for the AEA holidays. Coach Hart reports that he is well pleased with the potential for the coming season and that the boys are showing a great interest in being prepared for football this year, everyone is urged to give blood.

Elba citizens are reminded that the quota for West Coffee County has been being met largely by Dorsey Trailer personnel, and that if an increased interest is not shown citizens whose immediate family is not connected with Dorsey Trailers or have not given to the Blood Bank recently will not qualify under the current program plan.

Currently any West Coffee citizen can receive blood due to a cooperative plan where blood is available to any West Coffee citizen due to the presence of more donated blood than there is a demand for in the area. This quota would not be reached without the Dorsey personnel.

Big Construction Plans At Rucker

A construction program encompassing expenditures of more than \$6.5 million is planned for this year at the Army Aviation Center.

Bids will be opened during the next few weeks by the Mobile district U. S. Army Corps of Engineers on three projects which will cost an estimated \$4,200,000.

In the program a commissary, a 125-man bachelor officer quarters and an aircraft maintenance facility.

These three buildings were originally scheduled for construction during the 1966 fiscal year, but the work was deferred until now by the Secretary of Defense.

Also, the House Appropriations Committee has approved a \$24,000 allocation for bulk fuel storage tanks at Cairns Army Airfield and at Hanchey and

CHOW LINE at noon last Sunday in front of the Elba Court-house following the dismissal of the annual Sacred Harp Singing Convention. The convention was dismissed for all the participants to attend the funeral of their fellow singer, the late U. B. Hudson, who died of a heart attack Friday.

Federal Officials Say Sewer Grant Approved

A telephone call to the Washington office of Senator John Sparkman last week by a representative of this newspaper revealed that the efforts of the City Fathers in seeking federal assistance on the proposed sewer project is paying off.

Sparkman assistants checked with FWA officials and confirmed that the \$184,800 grant and the \$560,000 low interest loan from the federal government had been allocated and funds frozen for Elba. According to Washington officials, all that remains is for some minor paperwork and Elba to be worked out.

Sparkman assistant, Ron Locklin, assured this newspaper that the necessary funds were available and would not be used for other projects.

There has been some concern among local citizens and also city officials over the long delay but this has been explained away as "red tape".

There is also a state grant that accompanies the federal money.

Chamber Of Commerce To Meet

The Elba Chamber of Commerce will hold its regular monthly meeting next Tuesday night at 7:00. The meeting place is Paul's Cafe.

Chapter President Charles Ellis urges all civic-minded citizens to attend these meetings and find out what is being done by Elba people for Elba people and to also find out what help Elba.

U.S. Army Band To Perform In Dothan

Internationally famous U. S. Army Field Band from Washington, D. C., will perform in a free concert at the Dothan Farm Center Saturday, April 1, at 8 P.M.

As official musical representatives of the Department of the Army, the band travels thousands of miles a year. Known as the "Kings of the Highway," the field band is considered by music critics to be one of the most proficient and distinctive musical organizations now appearing before the public.

The military musicians have appeared in all 50 states, Canada, Mexico, the United Kingdom, Europe, and the Far East. Performances in small as well as large communities have brought the band's music to thousands of people in areas not toured by other major bands.

Appearing with the group will be the Soldier's Chorus, an integral part of the band. They will present their own special arrangement of well-known compositions.

S. O. PARKER, left, director of the Coffee County Hog Producers Association presented a gift from the Association to out-going president Ira Allen. Allen served two years as president.

Mullins Signs "Clean Up"

Proclamation

Mayor L. P. Mullins signed a proclamation designating the dates March 20th through March 25th as Clean-Up days in Elba. This is in cooperation with the Azalea Garden Club who will encourage citizens to take a little extra effort during this time to make Elba a cleaner place to live and work.

To help make this a successful project Mayor Mullins has pledged the on March 24th, 25th and extensive use of the street sweeper purchased by the city last summer.

An invitation is extended to the public.

Lay-Witness Mission To Be Held In Opp

A Lay-Witness Mission will be held at the First Methodist Church of Opp on March 24th, 25th and extensive use of the street sweeper purchased by the city last summer.

An invitation is extended to the public.

Execution Date Reset For Mathis

The Alabama Supreme Court has reset the execution date of convicted murderer, Ben Mathis, for May 19th.

Jus' Ramblin'

By
LUCILE K.
WOODHAM
McRAE

Due to the very serious illness of Mrs. McRae's mother, Mrs. J. L. Kimbro, of Kinston, N.C., "Jus' Ramblin'" is published this week.

Mrs. Kimbro, age 81, suffered a severe heart attack Monday afternoon and continued in critical condition in an Ohio hospital at press time Wednesday afternoon.

All of Mrs. Kimbro's children are at her bedside. The Kimbro family consist of five daughters and two sons, Mrs. McRae and Mrs. Pete McRae.

I wish more folks would take this message more seriously!

Please folks—Smokes needs you!

Florida air-daughters. The Kimbro's lived in Florida for many years where Mr. Kimbro was editor and publisher of the Florida News and was also editor of the Florida News and was also editor of the Florida News and was also editor of the Florida News.

Mr. and Mrs. Kimbro will have been married thirty years this coming June 23.

State To Build Piers At Launch Sites

Governor Lurleen B. Wallace announced recently that the Water Safety Division of the Department of Conservation will erect 50 piers to be placed adjacent to the Department's boat launching ramps at sites in all parts of Alabama.

Each of these ramps will be 20 feet long and 4 feet wide and they will be placed so as to be helpful to boaters in entering or leaving their boats. The ramps will be constructed of galvanized steel framing and wooden decking.

A Water Safety Division spokesman said all of these piers should be in place within the next three months in time for service at the peak of the boating season. The first such pier is now in service at Bonner's Point in Elmore County.

leaving their boats. The ramps will be constructed of galvanized steel framing and wooden decking.

A Water Safety Division spokesman said all of these piers should be in place within the next three months in time for service at the peak of the boating season. The first such pier is now in service at Bonner's Point in Elmore County.

World War II Vets Short Of "Borrowing Time"

Less than five months remain for veterans of World War II to use their guaranteed privileges for a loan to purchase a home, farm or for business purposes. This warning came from Clyde A. Harris, Loan Guaranty Officer, Veterans Administration Region Office, Montgomery, Alabama.

Present statutes provide that the absolute cutoff date for World War II veterans will be on July 25, 1967. This deadline is the result of Congressional action which has delayed the final date of eligibility several times.

The cutoff will not affect veterans of the Korean Conflict or veterans who have served since January 31, 1955, Harris pointed out, as these veterans are covered by different legislation.

Harris urged veterans planning to purchase a home to make their selection as soon as possible, avoiding the last minute rush for certification.

New Device To Help Spraying

A device that converts herbicide spray to foam may eliminate drift as a problem in spraying weeds. Developed by Agricultural Research Service physiologists, the applicator forces air through the herbicide spray to produce foam. When tested for pre-emergence and post-emergence treatment to control weeds in soybeans, the foam method produced results as good as standard spray methods.

Although more testing is needed before the foam applicator can be adapted by growers, the method has several advantages. The drift hazard with foam is very low. This makes possible the use of some herbicides that can't be used now for post-emergence applications because they drift on the crop and cause damage.

Also, better coverage is possible because the total surface area of the spray solution is increased by the addition of air. This may mean reduced herbicide rates.

Elba High Honor Roll Released

The Elba High School announces the following Honor Roll for the 4th Six Weeks of school:

6th Grade: Jerry Henderson, Mary Collier, Donna Coon, Rita Marler, Melba Spurlin, Vickie Grantman.

7th Grade: None.

8th Grade: Lamar Rainor III, Terry Martin.

9th Grade: Judy Matthews.

10th Grade: Mary Sue Griffin, Janice Windham, Elton W. Maddox.

11th Grade: Wanda Kidd.

12th Grade: Linda Coon, Glenn Bedsole.

Now Is Time For Tornadoes

Alabama's tornado season, according to statistics and weather bureau officials, is here. The next three months are traditionally the period of greatest danger.

"Rapid warning of dangerous conditions is the key factor. Weather bureau authorities have met with members of our staff to develop a set of operating procedures to follow during tornado watch periods," said J. Frank Manderson, state Civil Defense Director.

Private citizens play an important role in the rapid warning system, Manderson said. "Prompt action in reporting a tornado sighting to the State Civil Defense headquarters or to the local weather bureau can save lives," he said.

COFFEE NEWS & CHAT

BY SARA HUTCHISON

CONVENIENCE FOODS

If you find yourself reaching for another box of convenience foods, don't feel guilty. Chances are you are really saving time and money while serving a highly nutritious dish.

For example, a pound of shelled, fresh peas may be priced at 78 cents while frozen or canned peas cost about 34 cents. A home-made devil's food cake can cost 60 cents, but a cake from a mix and one egg costs only 45 cents.

Other important cost-reducing convenience foods include frozen orange juice, frozen lima beans, spaghetti, cherries and chicken chow mein.

Of course, some convenience foods are more expensive than when prepared at home. These include yeast rolls, frozen chicken and turkey dinners and pre-cooked meat.

Costs vary by season and local markets, so you need to always be alert on food prices.

Also, there must be ample space at the back, top and sides so air can circulate around the cabinet.

Never place freezers where the temperature falls below 40 degrees, or in a room that's especially hot in the summer or heavily heated in winter.

Too hot a spot can add 15 percent to the cost of operating the freezer.

Also, there must be ample space at the back, top and sides so air can circulate around the cabinet.

HOUSEHOLD TIP

Mrs. Oris Nelson of the Mt. Gilead Community told club members recently how she used milk cartons.

Mrs. Nelson cut the milk carton to a small size in order to hold a pint bag of fruit, leaving enough of

her if she found a recipe for this bread to send it to me and she did. If any one of you is interested in this pumpkin bread recipe, I will be glad to mail you a copy.

I appreciate Mrs. Baker sending me this recipe.

LETTER

It was so nice to hear from Mrs. Lota Baker. Recently she had contacted me wanting a recipe for pumpkin bread. I didn't have one to share with her, but told

the location of your food freezer makes a difference in how well it operates, how convenient it is and how much it costs to run.

the most logical place for a freezer is the kitchen, utility room, porch and basement. But are these the best places? Not unless they are cool, dry, well ventilated areas out of direct sunlight.

Never place freezers where the temperature falls below 40 degrees, or in a room that's especially hot in the summer or heavily heated in winter.

Too hot a spot can add 15 percent to the cost of operating the freezer.

Also, there must be ample space at the back, top and sides so air can circulate around the cabinet.

HOUSEHOLD TIP

Mrs. Oris Nelson of the Mt. Gilead Community told club members recently how she used milk cartons.

Mrs. Nelson cut the milk carton to a small size in order to hold a pint bag of fruit, leaving enough of

her if she found a recipe for this bread to send it to me and she did. If any one of you is interested in this pumpkin bread recipe, I will be glad to mail you a copy.

I appreciate Mrs. Baker sending me this recipe.

Mrs. Claude E. Hargett, Jr.

Haire - Hargett Wedding Solemnized Friday, March 10

Miss Sara Priest-Haire, daughter of Mr. and Mrs. Herbert Stokes-Haire of Elba, and Mr. Claude E. Hargett, Jr. of Daleville and Montgomery, son of Lieutenant Colonel (retired) and Mrs. Claude E. Hargett, Sr., were united in marriage at 2 P.M. Friday afternoon in the Elba Methodist Church.

The Reverend R. L. Hayes, uncle of the bride, performed the double ring ceremony. Miss Fran Gregory, of Hartselle, pianist, and the Reverend David Carter of Greensboro, soloist, presented nuptial music.

The bride, given in marriage by her father, wore a gown of candlelight pearly sole applique in lace and embroidered in seed pearls. Her veil was a

mantilla of silk illusion, outlined in lace. She carried a green orchid and white sweetheart roses mounted on a prayer book which belonged to her grandmother.

Miss Jeanie Hatcher of Geneva was maid of honor. She wore a gown of bonded lace and carried an arrangement of lily.

Flower girl was Stacey Lee Dorsey of Elba, cousin of the bride. Joel Allen Hargett, brother of the groom, was ring bearer.

Ron Duell of Troy served the groom as best man. Groomsmen were Richard Buelow and Pete Buelow of Enterprise.

A reception was held at the church following the ceremony.

The couple will reside in Montgomery.

Ada Maully Circle Gives Surprise Party

The Ada Maully Circle of the Woman's Society of Christian Service of the Methodist Church gave Mrs. John M. Garrett a surprise party on Monday, March 13th. The party was held at Mrs. Garrett's home.

The occasion for the party was Mrs. Garrett's ninety-first birthday. Cake and a fruit drink were served to the nineteen guests attending.

Nancy Harrison Completes Trade School

Miss Nancy C. Harrison of Elba graduated from Wallace Trade School last week. She was studying cosmetology and will take the State Board of Cosmetology examination soon.

The Wallace course in cosmetology is a nine-month or 1,000 hour course.

Personal

Mrs. J. C. Farris visited her sister and husband, Mr. and Mrs. Horace Hayes, in Troy recently.

Garden Club Meets With Mrs. Taylor March 8

The Azalea Garden Club met Wednesday morning, March 8th, in the home of Mrs. Hayward Taylor with Mrs. J. M. Kimmy as co-hostess.

As the guests arrived they were served a delicious dessert course by the hostesses.

Miss Zedie Rowe presided during the business session. She announced plans for a clean-up campaign during the last two weeks in March. She also reminded the members of the

Regional meeting to be held at Birmingham, March 29th, 30th and 31st.

The Secretary, Mrs. Fred Clark, called the roll and read the minutes of the previous meeting.

Mrs. V. D. McCreary announced that the yard of Mrs. Dot Hamm had been chosen as the "Yard-Of-The-Month".

Mrs. Fred Clark read a letter from the President of the Business and Professional Women's Club requesting the club to submit the name of a worthy lady as a candidate for the "Woman - Of - Achievement" for the year.

The club voted to participate in this contest.

Mrs. F. H. Murphree, representing the nominating committee submitted the following slate of officers to serve for the year 1967-1968. Those persons were elected: President, Mrs. Boyd Murphree; Vice President, Mrs. Oliver Williams; Treasurer, Mrs. Price Ringo; Recording Secretary, Mrs. Dot Hamm; Corresponding Secretary, Mrs. J. M. Kimmy; Parliamentarian, Mrs. Hayward Taylor; Historian, Mrs. J. G. Clark.

Mrs. Fred Clark, Program Director, announced the program. Mrs. Walter Cox gave a very interesting and informative talk on "Annals From Planting to Planting", and she distributed very informative books on "Lawn and Garden Care" and copies of the Alabama Gardeners' Guide.

Mrs. Boyd Murphree talked on "Garden Clinic".

Members present were: Mrs. Boyd Murphree, Mrs. Price Ringo, Mrs. Katherine Dorsey, Mrs. Dot Hamm, Mrs. F. H. Murphree, Miss Zedie Rowe, Mrs. J. M. Buchanan, Mrs. Walter Cox, Mrs. V. D. McCreary, Mrs. Fred Clark, Mrs. Oscar Vaughan Jr., Miss Mabel Brunson, Mrs. Baxter Bryan, and Mrs. Hayward Taylor.

Personals Francis Lawford Honored On Sixteenth Birthday

Mrs. George Lindsey, of Elba, attended the funeral of her sister-in-law, Mrs. W. C. Payne, in Pensacola Saturday.

Mrs. Gerald New, of Birmingham, visited her parents, Mr. and Mrs. Lloyd Crook, during the past weekend.

Mr. and Mrs. O. M. Dyess, of Elba, report that their son, James R. Dyess, is recovering satisfactorily from major surgery at the Research Hospital in Kansas City, Missouri. Mr. Dyess's brother, Tom, of Elba, flew to Kansas City Wednesday, February 15th, to be with him during the critical time following surgery.

Mr. and Mrs. Lloyd Crook are attending the Alabama Education Association meetings in Birmingham and visiting their daughter and son-in-law, Mr. and Mrs. Gerald New.

Mr. and Mrs. Ben Ammons, of North Carolina and Atlanta, visited Mr. and Mrs. James Farris and family over the weekend.

Miss Francis Lawford

Mr. and Mrs. Jimmy Smith honored Miss Francis Lawford, daughter of Mr. and Mrs. Leroy Lawford, of Elba, with a birthday party on her sixteenth birthday. The party was held in the Smith home on Riverview Drive on March 8th.

After playing several games, the group enjoyed refreshments including birthday cake and punch and the honoree opened her birthday gifts.

Attend The Church Of Your Choice Sunday

THE CHURCH FOR ALL

The Church is the greatest factor on earth for the building of character and good citizenship. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Galatians	5	1-14
Monday	Psalm	119	41-48
Tuesday	1 Peter	2	11-20
Wednesday	Romans	12	1-19
Thursday	Romans	12	1-19
Friday	Romans	12	1-19
Saturday	Romans	15	1-7

Our future presidents and prime ministers - from what spiritual heritage shall they arise?

The ultimate giants of science and industry - what faith will they profess?

The fathers and mothers of our grandchildren and great-grandchildren - what convictions will be taught in their homes?

All this we are deciding today . . . in our churches . . . in our families.

For one generation can bequeath only to the next that which it, itself, possesses.

Our own religious life, our own determination to provide our children with thorough spiritual training, our own faithfulness in filling our churches with families - these positive purposes, expressed Sunday after Sunday, will mold TOMORROW'S LEADERS.

ELBA CITY SCHOOLS Elba, Alabama

NOTICE OF SCHOOL DESEGREGATION PLAN UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

Required by 181.46 and 181.53 of the Statement of Policies U. S. Dept. of Health, Education and Welfare

This Notice is made available to inform You about the Desegregation of our Schools. Keep a copy of this Notice. It will answer many Questions about school desegregation.

1. DESEGREGATION PLAN IN EFFECT

The Elba City public school system is being desegregated under a plan adopted in accordance with Title VI of the Civil Rights Act of 1964. The purpose of the desegregation plan is to eliminate from our school system the racial segregation of students and all other forms of discrimination based on race, color, or national origin.

2. THIRTY-2 DAY SPRING CHOICE PERIOD

Each student or his parent, or other adult person acting as parent, is required to choose the school the student will attend next school year. The choice period will begin March 20, 1967 and close April 20, 1967.

3. EXPLANATORY LETTERS AND SCHOOL CHOICE FORMS

On the first day of the choice period, an explanatory letter and this notice will be sent by first-class mail to the parent, or other adult person acting as parent, of each student then in the schools who is expected to attend school the following school year. A school choice form will be sent with each letter, together with a return envelope addressed to the Superintendent. Additional copies of the letter, this notice and the choice form are freely available to the public at any school and at the Superintendent's office.

4. RETURNING THE CHOICE FORMS

Parents and students, at their option, may return the completed choice forms by hand to any school or by mail to the Superintendent's office, at any time during the 30-day choice period. No preference will be given for choosing early during the choice period, or late in the choice period for a student. No assignment to a school can be made unless a choice is made first.

5. CHOICE FORM INFORMATION

The school choice form lists the names, locations and grades offered for each school. The reasons for any choice made are not to be stated. The form asks for the name, address and age of the student, the school or grade desired, and whether the student wishes to attend the school chosen for the following year, the appropriate signature, and whether the form has been signed by the student or his parent. Any letter or other written communication which identifies the student and the school he wishes to attend will be deemed just as valid as if submitted on the choice form supplied by the school system. The names of students and the schools they choose or are assigned under the plan will not be made public by school officials.

6. COURSE AND PROGRAM INFORMATION

To guide students and parents in making a choice of school, listed below, by schools, are the courses and programs which are not given at every school in this school system.

Mulberry Heights School
a. Spanish
Elba High School
a. French
b. Speech
c. Vocational Trade & Industrial Education
d. Vocational Office Occupations

7. SIGNING THE CHOICE FORM

A choice form may be signed by a parent or other adult person acting as parent. A student who has reached the age of 15 at the time of choice, or will next enter the ninth or any higher grade, may sign his own choice form. The student's choice shall be controlling unless a different choice is exercised by his parent before the end of the period during which the student exercises his choice.

8. PROCESSING OF CHOICES

No choice will be denied for any reason other than overcrowding. In cases where granting all choices for any school would cause overcrowding, the students choosing the school who live closest to it will be assigned to that school. Whenever a choice is to be denied, overcrowding will be determined by a uniform standard applicable to all schools in the system.

9. NOTICE OF ASSIGNMENT, SECOND CHOICE

All students and their parents will be promptly notified in writing of their school assignments. Should any student be denied his choice because of overcrowding he will be promptly notified and given a choice among all other schools in the system where space is available.

10. STUDENTS MOVING INTO THE COMMUNITY

A choice of school for any student who will be new to the school system may be made during the spring 30-day choice period or at any other time before he enrolls in school. An explanatory letter, this notice and the school choice form will be given out for each new student as soon as the school system knows about the student. At least seven days will be allowed for the return of the choice form when a choice is made after

CHEVY'S BONANZA SALE

A Different Kind of Sale You Can't Afford to Miss

Some sales offer stripped down, bottom-of-the-line cars at low prices. But look what your Chevrolet dealer's offering during March. The Geneva, Coffee and Pike Counties' Glee Choir Singing Convention will be held at Newbia Church in Coffee County on March 19, 1967. The church is located between Elba and Glenwood on Highway 21.

WE ARE A PRESCRIPTION PHARMACY

Of course we supply many other products for your better health and comfort. But our prescription volume is the basic service we concentrate on most. You are invited to inspect our laboratory where carefully selected medicines, their potency are over 4,000 different medicines.

Each one is alphabetically classified so that we can locate it in seconds. Many are dated for expiration and discarded if not dispensed by its before then. The odds are that we have in stock the ingredients of any prescription, even including those written by physicians in distant cities.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Training Union Leaders To Attend Convention

Local Training Union leaders from Coffee Baptist Association will be attending the Training Union Regional Convention April 20 at the First Baptist Church, Enterprise. The program will lead the program along with other members of the state staff from Montgomery. The program begins at 3 P.M. with a number of age-group and leadership conferences scheduled for the opening sessions.

Representatives from Baptist associations in the surrounding area will take part in a Junior Memory Drill, Intermediate Sword Drill, and a Speakers Tournament for young men.

Mrs. Dan Brooks Buried Friday

Funeral services were held Friday, March 10th, for Mrs. Estell Jeter Brooks (Mrs. Dan J.), age 79, a lifelong resident of Elba, who died Thursday morning in her home following an extended illness. Surviving are three sons, Lewis Brooks, Elba, Dan Brooks, Jr., and Joe Brooks, all of Montgomery; one sister, Mrs. B. W. Pruett, Brewton; one brother, Hendrix Jeter, Elba; seven grandchildren, five great-grandchildren. Funeral services were held from the First Baptist Church, Elba, with Dr. Charles Graham officiating. Burial was in Greenwood Cemetery, with Hayes Funeral Home directing.

Dorsey Helping Plan Meeting Of Truckers

Mr. T. K. Dorsey, Executive Vice President of Dorsey Trailers, is a member of the Convention Committee of the Truck Trailer Manufacturers' Association. The group will hold their 26th annual convention at the Grand Bahama Hotel, Grand Bahama Island, during the week April 15-19, 1967, according to an announcement by TTM President R. N. Biggers.

Singing Planned At Newbia Church

The Geneva, Coffee and Pike Counties' Glee Choir Singing Convention will be held at Newbia Church in Coffee County on March 19, 1967. The church is located between Elba and Glenwood on Highway 21.

Looking on are Lamar Daniels and Marvin McIlwain, both members of the Chamber of Commerce Recreational Committee.

Investment Club City Council Holds To Meet Tonight Regular Meeting

There will be a meeting of the stockholders of the Elba Investment Club tonight (Thursday) at 7:00 in the main dining room of the Elba Country Club. An important item of business will be the proposed increasing of the present fifty members to one hundred. This action would increase the capital stock to \$50,000 and make more money available for the construction of rental houses in Elba.

Newspapers Sponsor Travel Contest

Three weekend vacation prizes will go to winners of the "Discover Alabama" Tourist Appreciation Week contest sponsored by the Alabama Press Association.

Pea Planting Time Has Arrived

Jake Morrow of Morrow Gin and Peanut Company announced this week that farmers planning to plant peas this year could pick up their pea seed at his plant at their convenience. Planting dates this year are the first two weeks in April.

There is still some acreage available if anyone has failed to sign up. Morrow also added that the price for peas this year would be \$90 per ton, which is some higher than they were last year.

Conservation Service Supports Wildlife Week Chamber Of Commerce Meets

The regular meeting of the Elba Chamber of Commerce was held Tuesday night at Paul's Cafe with President Charles Ellis presiding. There were thirty-two members present.

Death Claims Mrs. Hood On Sunday

Mrs. Lena Bell Hood, age 71, died Sunday, March 12th, in an Ocoee, Florida, hospital following a long illness.

PICTURED ABOVE ARE NEW OFFICERS of Alabama Electric Cooperative, who were elected at the annual meeting held in Andalusia on March 17. Seated, left to right, are President J. R. Utsey, of Andalusia, and Vice President Gaines R. Jeffcoat, of Opp. Standing are Secretary-Treasurer J. B. Rodgers (left), of Red Level, and General Manager Basil Thompson, of Andalusia.

Telephone Company After Annoying Callers

A recently announced Company has led to the operating area. The Company's security director disclosed that a male teenager in South Carolina was given a stiff 18 month sentence in the state penitentiary on two counts of making obscene telephone calls. Incriminating evidence in the form of positive identification of the telephone from which the calls were made was provided by the telephone company working in cooperation with local law enforcement authorities.

Taylor Parts Opens New Elba Store

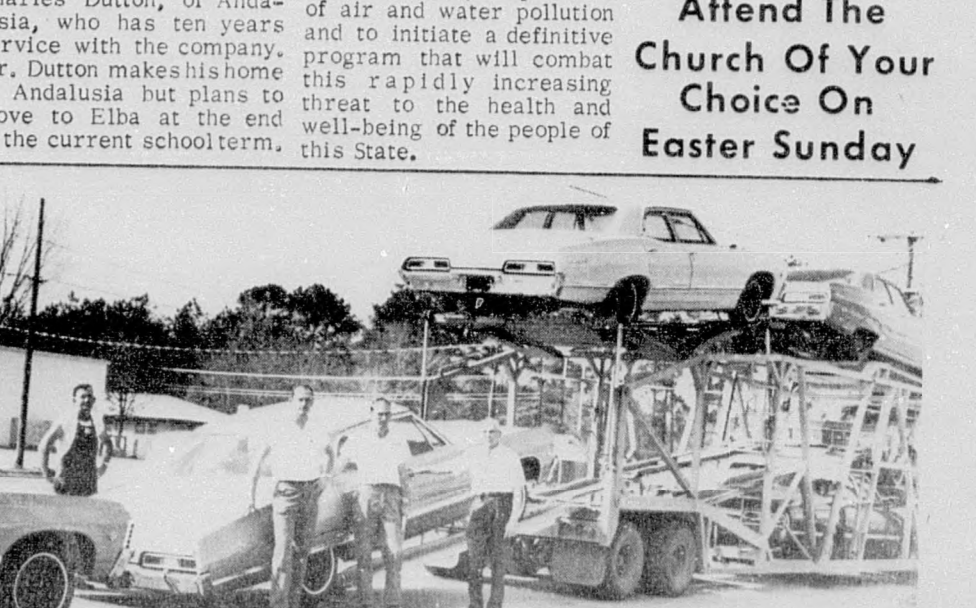

A half page ad in this week's issue of the Clipper announces the official opening of a new automobile parts house in Elba. This business, a branch of Taylor Parts and Supply with headquarters in Andalusia, has served the motoring public since 1908.

Founder of the business was James M. Taylor, who was followed by his son, Marion D. (Buck) Taylor, who claimed among his many friends Mr. C. L. Dorsey, Sr. at the time Dorsey Trailers was much smaller.

Doctor's Wives Alarmed At Pollution

The Woman's Auxiliary of the Coffee County Medical Society has passed a resolution urging all health departments and governing bodies to study the problem of air and water pollution and to initiate a definitive program that will combat this rapidly increasing threat to the health and well-being of the people of this State.

Attend The Church Of Your Choice On Easter Sunday

FIRST NEW CARS ARRIVING AT COOK CHEVROLET in Elba were unloaded last week under the close supervision of Service Manager Joel Beck. Body Shop Foreman Donald Lee and Sales Manager Eugene Marler. The Chevrolet facilities are located on Troy Road at the intersection with the Brantley Highway.
